Real love → w/out expectation, no matter what

In becoming a man, Christ has allowed us to contain Him - eventually, we'll be of the same level as God! Praise the Lord!

We need to fan our spirit into flame! Like a candle - our spirit is not one of cowardice, but one from the Lord Himself!

↳ easiest way to fan your spirit is to open up your ♥, open up your spirit, & open up your mouth! Even if you don't feel the Spirit of God, simply open up your mouth & call
→ many times, the world makes our mind messy. By calling, we can clear our mind!

↳ This will allow us to gain Christ!

Separate your spirit from your soul

↳ so you can set ^{your mind} on your spirit! → then cooperate & choose God!

Praise the Lord! ~ Excited for the Spring Conference!
